Stream Like a Pro!

With Mid-Rivers Wide Open Internet, the TiVo Experience is a lot more than the ability to record shows and a cool channel guide. Think of it as an entertainment hub, with instant access to dozens of apps, which allow you to enjoy streaming videos, music, home movies and photos. Get instant access to all this content without changing remotes or TV inputs on all your TiVo-connected TVs.

Enjoy Features Like...

Voice Remote- Quickly search and create OnePasses, find your favorite content and movies, record shows, and stream on your favorite apps!

Universal Search- Search by title, channel name, episode, actor/director or even show description.

Browse- Browse specific categories of TV shows and movies, including "What to Watch Now."

OnePass Searches- OnePass gathers every available episode of a series and adds all of them right to your My Shows list to watch instantly. If an episode isn't available on TV or on demand, OnePass fills in the gaps with episodes from streaming video providers like Netflix, Hulu and more.
